### Teacher notes:

- Discuss how we can grow our own veggies; germinate the seeds, water the seedlings, plant into bigger containers

### Task - Create mini veggie greenhouses

#### Materials needed:

- Half egg cartons
- Textas
- Popsicle sticks
- Blu tak
- Coloured card
- Vegetable seeds (zucchini, carrot, broccoli, snow peas)
- Small plastic sauce containers (usually sold in Asian wholesale stores)
- Potting mix

### Students:

Decorate their egg carton; draw pictures of their vegetables on their coloured card labels; write the initial sound or full word for the vegetable on their popsicle stick
